## CLASS-LEADING TECHNOLOGY FOR AN ENERGISING YET CONFIDENT DRIVE

Imagine a more exciting journey every day – driving with greater exhilaration, confidence and connection to the world around you. That's the thinking behind Nissan Intelligent Mobility. It comes to life in MICRA through Intelligent Driving systems that keep an eye out all around you, watching the flow of traffic and stepping in when you need it to help keep you out of trouble. Because the more secure you feel behind the wheel, the more you can enjoy the sheer pleasure of driving.

# SEAMLESS CONNECTIVITY

Nissan's next-generation audio and navigation system comes with Smartphone integration, Bluetooth hands-free communication and in-vehicle applications and features a 7" multi-touch display screen that makes everything simple, quick and convenient. You can customize the layout, choose shortcuts and widgets to suit your preferences and use voice recognition\*

Connect your phone to start using your preferred apps thanks Apple CarPlay<sup>®</sup> and Android Auto<sup>®</sup>\*

Connecting a mobile phone to your vehicle should only be done when the car is parked safely. Use of the in car system should always be in accordance with the rules of The Highway Code. Drivers should only use the system when it is safe to do so. Users should be aware of the potential for hands-free technology to distract attention from the road, which could impact on having full control of the vehicle.

**CUSTOMISE HOME MENU.** With the shortcuts and widgets manager you can customise your home screen to display your most frequently used features like audio, call history and traffic information.

VOICE RECOGNITION. Press and hold the talk button on your steering wheel to activate simple voice commands – it's safe, quick and convenient when you're on the move.

**SINGLE LINE SEARCH.** You can now Search for Addresses, POI's or both using a Single Line Search Option which makes it so much easier to search for your destination.

\*Features will vary by grade and may be only available as an option. YOUR MUSIC. YOUR WAY Use Bluetooth streaming audio or the USB input to play music directly from your smartphone.

## INTELLIGENT INTEGRATION TO MAKE YOUR CAR A MORE PRODUCTIVE SPACE.

Plan your Trip ahead through Mobile/ Web or Onboard Navigation with Premium Traffic Data giving you accurate Route Options based on Real Time Traffic. Keep yourself always updated with Over the Air Updates delivered via your Smartphone or by connecting with an external WiFi Hotspot. Push destination to car from the Web Interface or the Door-to-Door navigation App. Navigate to your favorite destinations straight from the Door-to-Door navigation App.

PUSH DESTINATION TO CAR VIA A COMPUTER OR THE MOBILE APP. Send Destination to Car using any interface and plan your trip before leaving.

**DOOR-TO-DOOR NAVIGATION.** The Mobile App enables you to navigate end to end, from where you parked your car to your destination.

**PREMIUM TRAFFIC DATA.** Get Accurate time to destination (ETA) information before you leave based on Real Time Traffic and decide the best route to your destination.

**DOOR-TO-DOOR NAVIGATION APP** Download the Door-to-Door Navigation App on your Smartphone and access all your maps on your next generation NissanConnect multi-touch display screen.

# SPACE FOR YOURSELF AND MORE

MICRA is designed for living to the full. Even when engineered for optimal pilot and co-pilot comfort, the MICRA provides lots of space for passengers in the rear seats, with top class shoulder and knee room so you and those around you make the most out of the journey. All with still plenty of space for the luggage. Time to start sending the invitations out.

Orange interior personalization available as an option only on N-Design

Page 1 | Page 2

## **ROOM THAT BENDS TO YOUR IDEAS**

The capacity of the MICRA is surprising. Fold down the seats to take any extra bags or bulkier objects on board and use all the smart storage spaces for your personal items, including a bucket-type glove box, 1.5L bottle door pocket, seat pockets, phone-holder with USB/12 V power sockets and a twin cup holder smartly situated in the central console.

The easy-to-access 10L buckettype glove box is big enough to

#### RIGHT ON THE NOSE.

In Drive, the display gives you both a front and overhead view, so you know just how far to pull up – without going too far.

### A CONTRACTOR

#### COMPLETE THE PICTURE.

Located under your driver's side mirror, this camera helps round out your virtual 360° bird's-eye view, whether you're in Drive or Reverse.

#### SPARE YOUR WHEELS.

In Drive or Reverse, you can push the camera button to switch out the overhead for a side view. A great help for seeing how close you are to the curb.

RACKGROUND SAVIN, In Reverse, the display helps you see

what's directly behind you, while the overhead view helps with smaller objects that might be hidden below your window.

# NISSAN INTELLIGENT AROUND VIEW MONITOR WITH MICRA AS YOUR PARTNER, EVEN PARKING'S A PLEASURE

What if parallel parking was easier? A rearview camera and rear parking sensors are great to give you further confidence when backing up – but when it comes to parking, it's nice to see more than just what's directly behind you. That's why MICRA's Class-Exclusive Around-View Monitor, uses four cameras that give you a virtual 360° bird's-eye view of your vehicle, with selectable split-screen close-ups of the front, rear, and curbside views, so you can get a better look. And since all obstacles aren't stationary (like a shopping trolleys), Moving Object Detection helps keep an eye around your MICRA, and warn you about moving objects detected nearby.

Ensure it is safe before manoeuvring

NISSAN INTELLIGENT MOBILITY

MICRA

### NISSAN INTELLIGENT DRIVING MICRA, QUIETLY MAKING YOU A BETTER DRIVER.

0

MICRA

Agile and responsive, MICRA'S driving dynamics give you a better feel for the road. Active Ride Control reduces impact shock for a smoother drive while Active Trace Control works with Nissan's new Electric Power Steering (EPS) system to deliver supple yet secure manoevrability. Excitement. Confidence. Control. With the MICRA, Nissan has engineered the driving experience you've been waiting for.

NISSAN INTELLIGENT MOBILITY

ACTIVE RIDE CONTROL applies subtle braking to prevent unpleasant upper body motion over bumps and enhance the overall comfort of your ride.

Exterior design | Interior design | Technology and Performance | Interior space | Nissan Intelligent Mobility | Accessory Page 1 | Page 2 | Page 3 | Page 4 | Page 5

# CATCH ME IF YOU CAN

Put your foot down and enjoy the MICRA's best-in-class aerodynamic performance and the exceptionally responsive and fuel-efficient downsized IG-T 92PS engine. With a choice of manual or automatic transmission, find the driving experience that fits you best.

#### CHOOSE YOUR ENGINE

Choose an engine to match the way you drive. Use our table to compare power, torque, fuel consumption and emissions or visit your nearest Nissan dealer for advice.

|                                    | IG-T 92<br>5 speed Manual | <b>IG-T 92</b><br>Xtronic Automatic |
|------------------------------------|---------------------------|-------------------------------------|
| <b>Power</b><br>PS (kW)            | 92 (68)                   | 92 (68)                             |
| <b>Torque</b><br>(Nm)              | 160                       | 144                                 |
| <b>F.E Comb</b><br>L/100km         | 5,4 - 5,7                 | 6,1 - 6,4*                          |
| <b>CO<sub>2</sub> Comb</b><br>g/km | 123 - 130*                | 138 - 146*                          |

The range of CO  $_{\rm 2}$  Comb and F.E.Comb figures mentioned are for the grades from XE to SV Premium for IG-T 100 engines.

Fuel Consumption and CO, figures are obtained from laboratory testing in accordance with EU legislation and are intended for comparison between vehicles. The figures may not reflect real driving results. Optional equipment, maintenance, driving behavior and weather conditions may affect the official results. Figures were determined under the new WLTP test cycle and adjusted to an equivalent NEDC figure for the sake of comparison.

MICRA

It comes first in everything we do, in the lab and the design studio, the factory and our dealerships and in our relationship with you. We try, retry and try again. Because everything we do is mastered through experience. We call it Nissan Quality.

### **360° PROCESS**

We build in quality from the outset, meticulously conceiving each car to make them more comfortable and more durable through innovative design, intelligent technology and thoughtful details inspired by you.

### SAFETY

We work with our intelligent driving systems to constantly look out for you and help you avoid any mishaps for a bolder, more confident driving experience day after day. Our Around View Monitor uses 4 cameras to give you a virtual birds eye view of your car in its surroundings.

### **EXTREME RELIABILITY**

We push our cars to the limit to guarantee their daily performance and reliability. We travel millions of kilometres in pre-production tests, open and close doors and bonnets thousands of times a day and use real volcanic dust from Japan to test window resistance.

### NISSAN 🎘 SERVICE CONTRACTS

Give your Nissan Micra the care it deserves with a Nissan Service Contract and save money in the long run. Nissan Maintenance Contract covers all the scheduled operations recommended by Nissan and specified in the Nissan Official Service Manual. Subscribing to a Maintenance Contract allows you to know from the start how much your maintenance will cost and protects you against price inflation. In addition to the scheduled operations, you can benefit from the replacement of wear and tear parts such as wiper blades, brake pads or suspensions by subscribing to a Full Maintenance Contract. Select the duration that covers your needs and benefit from the use of Nissan Genuine Parts fitted by our trained technicians, at a discounted price. A well maintained vehicle has a greater resale value. If you sell your Nissan before your coverage expires, the Service Contract will be transferred to the new owner. So do not wait any longer and subscribe to a Nissan Service Contract for extra peace of mind!

### NISSAN 🍝 extended warranty 🚃

Nissan Extended Warranty gives you the opportunity to extend the 3 Years/100,000 km warranty for a longer period or mileage. Select the contract that best suits your driving usage. In case of a repair, only Nissan genuine parts will be used and fitted by Nissan trained technicians.

## AT NISSAN, YOU BRING OUT THE BEST IN US.

You spark our imagination. You provoke our ingenuity. You inspire us to change the rules and innovate. And at Nissan, innovation is not just about additions and extensions; it's about crossing the line to reinvent the status quo. It's about developing unexpected solutions to satisfy your wildest and most pragmatic desires. At Nissan, we design cars, accessories and services that break the mould - making the practical exciting and the exciting practical to offer you a more exhilarating driving experience everyday.

NISSAN MICRA OFFERS YOU:

3-YEAR WARRANTY OR 100,000 KM NEW VEHICLE WARRANTY (WHICHEVER COMES FIRST)

12-YEAR ANTI-CORROSION BODY PERFORATION WARRANTY

YEARLY OR 20,000 KM SERVICE INTERVAL, WHICHEVER COMES FIRST

NissanConnect Navigation

Nissan Intelligent Mobility moves you one step ahead. In cars that feel like an extension of you, helping you see more and sense more, reacting with you, and sometimes even for you. Nissan Intelligent Mobility is about a better future – moving us to a world that's safer, more sustainable, and exciting.
